General Dress Regulations for all pupils

There is no regulation outer coat. Whatever coat is worn must be in a dark colour, and not carry any large logo or decoration. These outer coats should not be worn in Chapel, class or in the Dining Hall.

In the **Dining Hall**, the wearing of games kit is not permitted. Uniform must be worn into all weekday meals. No 'mixing and matching' of uniform and casual clothes is allowed.

During weekends, pupils may wear their own clothes unless gated. Hats and caps may not be worn inside any school building.

All clothing should be neat and tidy and kept clean. No clothing or equipment should be borrowed without the owner's consent.

The uniform should always be worn properly. Shirts and blouses should be tucked in; shoes should be clean; school jumpers should be worn for Chapel and around school, unless the Headmaster has given permission otherwise; t-shirts worn under shirts or blouses should be plain white, (no logos or designs).
