Abbotsholme Equestrian Centre

'A huge opportunity for
you and your horse!'

'Come to Abbotsholme
school and experience this
this unique opportunity we
have for you.'

Abbotsholme School's Equestrian Centre

Abbotsholme is very proud of its equestrian centre. Our equestrian centre offers a great opportunity for many children. Abbotsholme is very lucky as so many schools do not have an equestrian centre. You even have the opportunity to bring your horse to Abbotsholme. We have a fully qualified team of experts to make sure your horse is looked after properly. We help children of all ages to learn and experience how to ride. Lessons can be given to people outside of school as well as those in school. For those who do not have a horse of their own or cannot bring their horse to school, we have a great range of different horses for you to ride.

Those who wish to study for a GCSE exam in Equestrianism can do that at Abbotsholme too. You can also study Equestrianism as part of your Duke of Edinburgh Award. Abbotsholme equestrian centre is very popular with many of the children at Abbotsholme. It helps prepare children for their first horse.

Pony Club

Pony Club is a huge advantage to develop your knowledge and become a better rider. The number of members has doubled over the past six months! You do not have to have your own horse to become a member. We do loads of activities and fun games and we have pony club badges that you can work towards and earn once you have completed that task. Pony club is for children from the age of six to the age of 14, and you can join at any time just go and inform Mrs Hamilton at the stables.

**So come to
Abbotsholme!**
