

Abbotsholme School

Sportastic Activity Days

Key Information

Prior to the day

- Please ensure you have booked onto all the days you require. Sportastic has become a very popular holiday club, and starting to get very full now, so forward planning is essential. We do not accept bookings on the day.
- Please ensure if you are new to Sportastic that you have completed three forms: general consent form, medical form and equestrian form.
- Please ensure you have paid for your days before the first day you have booked your child or children into. We accept childcare vouchers, cheque, credit card and payments by BACS.

On the day

- If your child or children are ill and cannot participate, we totally understand, but if you could telephone one of the following numbers and let us know we would be most grateful: (01889 590 217 / 594 289 / 594 273 or email Sportastic@abbotsholme.co.uk)
- **Please drop off your child after 8.40am** so that the coaches have a chance to set up the day's activities properly for all our Sportastic children before greeting and looking after your children. Additionally, the day is long enough already for your children with sporting activities going on throughout the day.
- **Please ensure you drop off your child before 9.00am** so that the Sportastic activities can start promptly at 9.00am. This allows every family to get value for money.
- Your child should wear sports kit and trainers (please have all clothing named)
- Your child should bring a packed lunch, Water Bottle, Waterproof Jacket (just in case!), Wellington Boots and sun cream.
- Additional notes: all equestrian equipment will be provided by the school.
- **Please pick up your child at 4.00pm.** It is a long day for your child, so we would be grateful for support with this pick up time.
